

Carers need help to!

Do you look after or support someone who is ill, disabled, elderly or frail?

Are you ill, disabled, elderly or frail? Does someone look after you?

Staff in the surgery are interested in finding out which patients are involved in caring in order to provide them with information and advice. Carers are now eligible, because of their caring responsibilities to receive the flu vaccination. We would be grateful if you would take a few minutes to fill in this form and hand it into reception.

Please tick which applies to you

I am not a carer

If you are **not** a carer please return the form to the box at reception.

I am cared for by someone

I am a carer

Please return the form to the box at reception.

If you would like more information about resources available for carers please note your name and address below so we can get in touch with you.
